

SAFETY DATA SHEET

Section 1: Identification

Product Name: Gelato Terpene Profile Kit

Company: American Indican, LLC

In emergency call 911.

For information about this SDS, contact: info@americanindican.com

Section 2: Hazard(s) Identification

Hazard Classification:

This mixture is considered hazardous in accordance with 29 CFR 1910 (OSHA HCS)

Signal Word(s): Danger

Hazard Statements:

- H226 Flammable liquid and vapor
- H304 May be fatal if swallowed and enters airways
- H315 Causes skin irritation
- H317 May cause an allergic skin reaction
- H319 Causes serious eye irritation
- H335 May cause respiratory irritation
- H410 Very toxic to aquatic life with long-lasting effects

Pictograms:

Precautionary Statements:

- P210 Keep away from heat / sparks / open flames / hot surfaces. No smoking.
- P271 Use only in a well-ventilated area.

Section 3: Composition/ Information on Ingredients

Percentages have been withheld to protect trade secrets.

Chemical Name	Synonym	CAS#
β -Caryophyllene	Beta Caryophyllene	87-44-5
Limonene		5989-27-5
Humulene	Alpha Caryophyllene	6753-98-6
α -Pinene	Alpha Pinene	80-56-8
Linalool		78-70-6
Nerolidol		7212-44-4

Myrcene		123-35-3
α -Phellandrene	Alpha Phellandrene	99-83-2
Terpineol		8000-41-7
α -Bisabolol	Alpha Bisabolol	515-69-5
p-Cymene	Para Cymene	99-87-6
Citronellol		106-22-9

Section 4: First-Aid Measures

After skin contact: Wash off with soap and water. Apply an antihistamine cream if a rash appears, and seek medical attention if a rash persists.

After eye contact: Rinse eyes with cool water and remove contact lenses if present. Flush eyes thoroughly with cool water for at least 15 minutes. Seek medical attention if irritation persists.

After inhalation: Remove affected person outdoors to clean air. Seek medical attention if an allergic reaction appears or if irritation persists.

After swallowing: Clean mouth with water and drink plenty of water or milk afterwards. Do NOT induce vomiting. Call a physician or poison control if symptoms appear.

Section 5: Fire-Fighting Measures

Suitable extinguishing agents: Class B, AB, or ABC Fire Extinguishers

Unsuitable extinguishing agents: Do NOT use water jet.

Special protective equipment for firefighters: Respirator

Section 6: Accidental Release Measures

Personal precautions: Ensure adequate ventilation. Remove all sources of ignition. Do NOT allow material to splash in eyes. Wear nitrile gloves during cleanup.

Measures for environmental protection: Avoid release into waterways and sewers.

Measures for cleaning/collecting: Absorb spilled material with paper towels, seal towels in a plastic bag, and dispose of in trash.

Section 7: Handling and Storage

Handling: Keep tightly sealed and away from light when not in use.

Storage: Do not allow prolonged exposure to oxygen or direct sunlight.

Section 8: Exposure Controls/Personal Protection

General protective and hygienic measures: Handle & use in a well-ventilated area.

Breathing equipment: If ventilation is inadequate, wear a respirator.

Protection of hands: If contact dermatitis occurs, wear nitrile gloves.

Eye protection: Avoid contact with eyes. Wear protective glasses.

Section 9: Physical and Chemical Properties

Form: Colorless, clear liquid

Odor: Fruity

pH: 6.5-7.5

Melting point/melting range: No data

Boiling point/boiling range: 180-264°C

Flammability: High

Flash Point: 96°C

Danger of explosion: Low

Relative density: 0.8-1.0 g/mL

Solubility in/Miscibility with water: Slightly soluble

Section 10: Stability and Reactivity

Reactivity: Low

Chemical stability: High

Conditions to avoid: Sparks or open flame. Prolonged exposure to open atmosphere.

Incompatible materials: Strong oxidizers

Hazardous decomposition products: Organic peroxides

Section 11: Toxicological Information

Acute toxicity: No data available

Potential routes of exposure/potential health effects

Skin: Irritant.

Eye: Severe irritant

Inhalation: May cause irritation

Carcinogenic effects: None known

Mutagenic effects: None known

Reproductive toxicity: None known

Sensitization: Contains known sensitizers to contact dermatitis

Target organs: No data available

Section 12: Ecological Information (non-mandatory)

Ecotoxicity: Toxic to aquatic life

Mobility: Presumed to be low due to nonpolar nature of constituents.

Biodegradation: No data

Bioaccumulation: No data

Section 16: Other Information

SDS date of preparation/update: 5/5/2021

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product. American Indican and its Affiliates shall not be held liable for any damage resulting from handling or from contact with the above product.
